

*Cherokee National Prospective Member
Information Packet*

1963

Dear Prospective Member:

We appreciate your interest in Cherokee National Golf Club. We know you will find our championship golf course, excellent practice facilities, swimming pool and banquet facilities one of the best values in the Carolinas.

In 1963, Cherokee National was designed by longtime golf course architect, J Porter Gibson, who has an excellent reputation in the golf industry. In the last 18 years, Cherokee National has gone through major renovations in phases. In recent years, Cherokee National has rebuilt the greens, rebuilt and added many tee boxes for various levels of skill, made major improvements to practice facilities, upgraded the irrigation system, built a new cart building, renovated the swimming pool, relocated the maintenance facility and made major clubhouse improvements.

Current improvements at the club include repairing cart paths and building additional tee boxes. We also continue to upgrade our fleet of golf carts to latest models. Cherokee National has proudly become a training center for The First Tee of the Carolinas, a national program initiative to develop young golfers' skills, character and healthy life habits. We participate in spring, summer and fall classes, led by local Kyle Parker, a nationally trained First Tee Instructor.

In 2012, the course invested in one of our greatest improvements: modification from L-93 bent grass greens to a new Miniverde bermuda grass, a trend of many of the finer clubs. You will find the quality of our greens comparable to exclusive clubs in the southeast. The golf course fairways, roughs and tees are bermuda grasses.

Cherokee National is a par -72 golf course measuring nearly 7,000 yards from the championship tees, yet many difficulty level options are available from six sets of tees. As a result of this versatility, our membership enjoys a very challenging course with many player-friendly options.

Our Director of Golf, Danny Agapion, has been a PGA member since 1989. Danny has experience as Director of Golf at some of the finest courses in the Carolinas, and has been at Cherokee National since 2004. Todd Roberson, Director of Golf Course Maintenance, grew up playing at Cherokee National then developed the knowledge and skill to become course superintendent. Todd has been with the course since 2002. Danny and Todd make an excellent team with their extensive experience and knowledge in the golf industry. They are under the direction of the Board of Directors.

To learn more about Cherokee National Golf & Recreation Club, please give Danny Agapion a call at 864-489-9417, visit www.cherokeernationalgolfclub.com, or stop by and speak to Danny or a course representative at 442 Cherokee National Highway in Gaffney, South Carolina.

We are quickly approaching the established membership limit of 480 members, and would like for you to join us. Please see the attached membership application and informational packet for your review. Please do not hesitate to contact the Club if you have any questions. Again, we thank you for your interest in joining Cherokee National and look forward to seeing you soon at the course.

Board of Directors,
Cherokee National Golf & Recreation Club. Inc

Membership Classifications

Regular Membership

Regular Members are all Members not designated Senior, Junior or Student Members. Dues from January 1 through December 31. Regular memberships include the primary member, their spouse and dependent unmarried children age 20 and under (or full-time students) who also permanently reside with the member. Upon graduating from high school or college, existing dependent children have a grace period until August 1st (May graduation) or March 1st (December graduation) to attain their own membership.

Senior Membership

Senior membership classification privileges and policies are equal to a Regular Membership, with one exception. If the primary member is aged 70 years at the time of a dues increase, their membership may be converted to a Senior Membership classification and their dues will remain at the previous dues rate for the remainder of their membership. This must be initiated by the member within 30 days of the announcement of a dues increase. A copy of a valid driver's license is required.

Junior Membership

New members 18-28 years old are eligible to pay Junior Membership dues. Privileges and policies are equal to a Regular Membership. The prospective member must note Junior Membership on their application. A copy of the primary member's valid driver's license is required. This membership option is for a 1) single person or 2) a primary member, their spouse and eligible children of the primary member. Junior memberships will automatically convert to a regular membership upon the 29th birthday of the primary member.

Student Membership

Student Memberships are one-person memberships for students in grade school or college. Membership privileges and policies are equal to a Regular Membership except there are no voting rights for Student Memberships. Proof of school enrollment is required after 18 years of age.

Membership Capacity

The current membership capacity is 480 Primary Members. Current non-primary members (i.e. children of Regular Members) and divorcees who wish to join under their own membership are not subject to the membership cap.

Membership Payment

Dues Payments

Dues payments may be made annually or drafted by First Piedmont Federal Bank through your personal banking account.

Monthly Draft

Monthly Draft is executed on the 15th of each month. Monthly draft forms may be picked up at golf shop counter. Monthly draft forms are due by the 31st of each month so our accounting office can complete draft form approval, which takes 2 weeks. Monthly draft by First Piedmont Bank offers this service FREE to Cherokee National and the member. Your current banking account can be used. A First Piedmont Federal Bank account is not required. Please provide a voided check for draft setup purposes.

Annual Dues Payers

Payment for annual dues payments is required by January 15 each year, and considered past due on February 1. Late payment of dues will result in late fees and possibly suspension of course privileges. If annual dues are not paid by March 1, membership privileges are suspended and the member must convert to monthly draft of dues going forward. Unconverted memberships are terminated March 31.

Fees

The fee for insufficient funds on monthly dues payments is \$20, each occurrence. The late fee for annual dues payment is \$25 per month.

Policies and Procedures

Member Handbook

Additional policies and procedures are provided in *Cherokee National Member Handbook*. A copy of the manual is located in the Pro Shop, posted on the club house bulletin board, and available at cherokeernationalgolfclub.com. All prospective and current members should read and become familiar with the policies and procedures as detailed in the *Member Handbook*, as they are updated on a periodic basis. Please refer to the *Member Handbook* for:
